Sponsorship Information

About PathStone Presents: PathStone Presents is a premier event organized by PathStone Corporation, aimed at bringing together industry leaders, innovators, and professionals for an insightful exchange of ideas, networking opportunities, and fostering collaborations. We strive to feature trends, innovations, and policy topics to provoke new ways of thinking about poverty and stimulate partnerships to address the challenges that poverty brings to the creation of a vibrant and healthy community.

About this year's topic: Affirmatively Furthuring Fair Housing (AFFH) represents a crucial legislative tool in the fight against housing discrimination and segregation. By convening this panel, we aim to raise awareness and spark meaningful dialogue and tangible solutions to address the systemic inequalities that persist in housing markets across the nation.

Keynote Speaker: Lisa Rice, President & CEO of the National Fair Housing Alliance

Lisa Rice is the President and CEO of the National Fair Housing Alliance (NFHA), the nation's only national civil rights agency solely dedicated to eliminating all forms of housing discrimination and ensuring equitable housing opportunities for all people and communities.

Lisa has led her team in using civil rights principles to bring fairness and equity into technologies used in the housing and lending sectors. She served on the Bipartisan Policy Center's Civil Society Advisory Council on Artificial Intelligence and FinRegLab's Board of Directors.

Keynote Speaker: Darrick Hamilton, Professor of Economics & Urban Policy, New School

Darrick Hamilton is a university professor, the Henry Cohen Professor of Economics and Urban Policy, and the founding director of the Institute on Race, Power and Political Economy at The New School. Considered one of the nation's foremost scholars, economists and public intellectuals, Hamilton's accomplishments include recently being profiled in the New York Times, Mother Jones magazine and the Wall Street Journal.

Hamilton has been involved in crafting policy proposals, such as Baby Bonds and a Federal Job Guarantee, which have garnered a great deal of media attention and served as inspirations for legislative proposals at the federal, state and local levels.
